

Miriam the Hero

Miriam helped her baby brother and saved his life. Think of ways that you can help kids who are younger than you: your siblings, kids at church, kids at school, kids in all parts of the world. How does God use you to help others? List three things that you do (or could do) to help younger kids. Write your list on the basket.

Faith on the Go!

Talk to a parent, teacher, or other trusted adult this week. Ask them to share the story of a time they faced a tough situation and needed to be rescued.

How old were they? Who saved them from trouble? Were they scared? Did it change their life in any way? Did they rely on their faith in God to help them? Be sure to thank the adult for sharing their story!

Memory Verse

She named him Moses, "because," she said, "I drew him out of the water." Exodus 2:10b

Baby Moses

Exodus 2:1-10

God protects
God's children.

When **WE** face
dangerous
situations, **God**
is always with **US**.
